FAT Village is a 5.6 acre integrated, mixed-use creative office, retail and residential urban development in Fort Lauderdale’s Flagler Village neighborhood.

It’s focused on delivering an experience that celebrates the history and complements the artistic spirit of the neighborhood. Located along N Andrews Avenue, this new development will serve as the epicenter of Fort Lauderdale’s first live-work-play urban environment introducing curated food & beverage, entertainment and art galleries.

Hines proprietary T3 (Timber, Technology and Transit) is the workplace component of FAT Village. Hines, a leader in developing modern/creative office products, has completed two T3 projects to-date (Minneapolis and Atlanta), and has over 20 under construction or pre-development across the globe.

With its touchless technology, flexible workspaces, enhanced air filtration and connection to the outdoors, Hines T3 is the new standard for office environments in a post-covid world.

YOUR NECK OF THE WOODS

FAT (Food, Arts and Technology) Village is a four-block creative enclave in Fort Lauderdale's Flagler Village neighborhood. Once an edgy industrial warehouse district, FAT Village is burgeoning with productivity and is home to an established art and entrepreneurial tech scene. T3 FAT Village, with its adaptive reuse aesthetic and modern efficiencies, represents an exclusive offering in terms of direct access to sought after amenities like:

- Walking distance to Fort Lauderdale's Brightline rail station connecting to Miami and Palm Beach via passenger rail (Future stops in Aventura, Boca Raton and Orlando).
- Carefully curated retail and dining options just steps from the buildings.
- Art galleries and design driven attractions to elevate and spark creativity.
- Modern residential units within the the FAT Village neighborhood.
- Close proximity to Las Olas and away from traffic congestion.
- Access to all major highways via I-95.
- Close proximity to Fort Lauderdale-Hollywood International Airport and Port Everglades.

AN OFFICE YOU CAN FEEL

T3 FAT Village is built around three pillars: the warmth and sustainability of Timber, the innovations made possible by new Technology, and the convenience and connectivity of Transit. Industrial warehouses have a certain soul. They are places of collaboration, creation and modernism. At FAT Village, our T3 offices have all those characteristics. It is a place where cutting-edge innovators find a home.

TIMBER – SUSTAINABLE

- T3 FAT Village's all wood structure is constructed of young trees versus old growth trees to sustain forestry practices.
- Compared with steel and concrete, the use of T3 avoids 1,411 metric tons of carbon dioxide emissions.
- T3 will take the equivalent of 996 cars off the road due to its wood construction.
- Heavy timber design delivers warm interiors, industrial character and next-generation sustainability.

TRANSIT – EFFICIENCY

- T3 FAT Village is located within walking distance of the Brightline rail service.
- Brightline connects Miami, Fort Lauderdale and West Palm Beach. Future stations announced to be in Aventura, Boca Raton and Orlando.
- Complimentary shuttle service to nearby amenities.

TECHNOLOGY – CONNECTED

- T3 FAT Village's state-of-the-art mechanical, electrical and plumbing systems meet and exceed the highest standards.
- Touchless technologies provide handsfree access and enhanced hygiene.
- Wired score certified and designed to offer a best-in-class technology experience.

AMENITIES FUTURE TEAMS CALL FOR

T3 takes the original loft environment that sparked open office layouts and turns it up a notch. Designed for collaboration and work/life balance, the buildings have common social areas, shared rooftop decks, private tenant-only outdoor balconies and modern fitness facilities. These are elements that are inspiring, energizing and empower a workforce to maximize the potential to amplify business performance.

WORK IT OUT

A fitness center fully equipped with state-of-the-art machines, showers and lockers just steps from your desk.

Extensive cycle storage, bike racks and end-of-trip facilities for bike commuters.

COLLABORATION

Shared ground floor social workplaces with Wi-Fi and meeting facilities encourage the free flow of ideas in an inspired setting.

ALL ABOUT SERVICE

Custom tenant-first services designed to enhance the overall tenant experience. Services include fitness classes and tenant programming among others.

ROOFTOP VIEWS

Outdoor private balconies and shared rooftop with views of downtown Fort Lauderdale and FAT Village. Enjoy employee events, sunset happy hours or just get some fresh air while you work.
